

Parameter Sheet Commercial Data Exchange (EDICOM)

EDI Application Management GF Casting Solutions Communication Partner

Address	GF Casting Solutions Werdohl GmbH 58791 Werdohl Germany
---------	---

E-Mail	edi.cs@georgfischer.com
--------	--

Contact for	General Information, change requests and exchanges of certificates
-------------	--

Communication Service

System	TradeSync Integration Manager
--------	-------------------------------

System operation	Axway GmbH +49 800 2992 9033 support@axway.com
------------------	--

Contact for	EDI communication incidents
-------------	-----------------------------

ODETTE Parameter

SSID	O0013005499AXW CLOUD
------	----------------------

SFID	O0013000036GF SINGENWD
------	------------------------

Plant Code	0038
------------	------

Password	AXCLD
----------	-------

OFTP EERP ACK	immediately
---------------	-------------

OFTP2

Network URL	commhub1-b2b.axwaycloud.de 52.29.187.102 or 52.29.123.240
-------------	--

OFTP2 Port	6619
------------	------

Public key certificate	Yes, attached to e-mail or downloadable on GFCS Website	Please send the certificate to: edi.cs@georgfischer.com
------------------------	---	---

Protocol Version	≥ 2.0
------------------	-------

OFTP authentication	Yes
---------------------	-----

Encryption	Yes
------------	-----

Encryption algorithm	3DES_EDE_CBC_3KEY/RSA_PKCS1_15/SHA-1 AES_256_CBC/RSA_PKCS1_15/SHA-1
----------------------	--

Compressed	Yes
------------	-----

Signature	Yes
-----------	-----

Signed EERP	Yes
